

The SSRI team consists of a number of departments all working together to further the objects of the Institute. The [SSRI Board](#) oversees the governance of the Institute. The [Management Team](#) is responsible for the Institute's day to day operations. The [Research Team](#) focuses on furthering the Institute's R & D activities. While the [Ken Bowie Technical Team](#) supports and facilitates the work of the Institute by developing and maintaining our critical infrastructure.

The teams are composed of both paid and volunteer staff members, with some taking multiple roles across a number of teams. Together these teams form the nucleus of the SSRI family.
